

PB18 Contract 01 - payment terms and dispute resolution playbook Demo Agreement

This synthetic agreement is between Siemens Legal Operations and Payments Counterparty 01. It is generated for Lou contract review demos and is not legal advice.

1. Commercial Background.

The parties are entering a transaction governed by playbook PB18: payment terms and dispute resolution playbook. The commercial purpose is: A structured approach to defining, negotiating, and resolving payment-related disputes in commercial agreements.

2. Pre-contract payment term verification process.

Preferred drafting position: Verify payment terms in pre-contract diligence. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

3. Onboarding payment method compliance checklist.

Preferred drafting position: Ensure payment methods align with compliance protocols. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

4. Dispute resolution timeline for late payments.

Fallback drafting position: Agree on 90-day dispute resolution timeline. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

5. Audit rights for payment records retention.

Escalation issue: No audit rights for payment records. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

6. Notice period for payment disputes.

Preferred drafting position: Require 10-day notice for payment disputes. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

7. Payment dispute escalation protocol.

Preferred drafting position: Escalate disputes to legal within 5 business days. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

8. Payment reconciliation frequency requirement.

Fallback drafting position: Permit semi-annual payment reconciliation. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

9. Payment dispute resolution jurisdiction selection.

Preferred drafting position: Agree on dispute resolution in home jurisdiction. The parties shall keep records showing compliance, notify each other of material deviations, and

escalate unresolved issues to legal operations within five business days.

10. Operational Exception.

The supplier may use experimental workflow tooling for internal reporting without prior written approval, provided no regulated data is exported. This clause is intentionally outside some playbook coverage so Lou can surface unmapped review findings.

11. Signatures.

The parties agree to the terms above through duly authorized representatives.
