

PB20 Contract 01 - liability limitation and indemnity playbook Demo Agreement

This synthetic agreement is between Siemens Legal Operations and Liability Counterparty 01. It is generated for Lou contract review demos and is not legal advice.

1. Commercial Background.

The parties are entering a transaction governed by playbook PB20: liability limitation and indemnity playbook. The commercial purpose is: A guide to designing and implementing liability limitation and indemnity provisions in commercial agreements.

2. Pre-contract due diligence scope definition.

Preferred drafting position: Mandatory written due diligence checklist. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

3. Onboarding timeline alignment.

Preferred drafting position: Defined onboarding phases with milestones. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

4. Data access rights during onboarding.

Fallback drafting position: Conditional data access based on progress. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

5. Third-party audit rights during onboarding.

Escalation issue: Audit rights denied without cause. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

6. Notice requirements for onboarding delays.

Preferred drafting position: Mandatory written notice of delays. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

7. Liability for pre-contract misrepresentation.

Preferred drafting position: Cap liability at contract value. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

8. Indemnity for pre-contract breaches.

Fallback drafting position: Indemnity for specified breaches with cap. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

9. Pre-contract disclosure obligations.

Preferred drafting position: Mandatory full disclosure of risks. The parties shall keep records showing compliance, notify each other of material deviations, and escalate

unresolved issues to legal operations within five business days.

10. Operational Exception.

The supplier may use experimental workflow tooling for internal reporting without prior written approval, provided no regulated data is exported. This clause is intentionally outside some playbook coverage so Lou can surface unmapped review findings.

11. Signatures.

The parties agree to the terms above through duly authorized representatives.
