5. Insurance policy renewal terms and notice periods.

Escalation issue: Policy renews without notice or requires manual renewal. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

6. Insurance policy audit rights and procedures.

Preferred drafting position: Audit rights are granted with 30 days' notice. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

7. Insurance policy notice requirements for claims.

Preferred drafting position: Notice of claim must be given within 30 days. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

8. Insurance policy subrogation rights.

Fallback drafting position: Subrogation rights are subject to negotiation. The parties shall keep records showing compliance, notify each other of material deviations, and escalate unresolved issues to legal operations within five business days.

9. Insurance policy assignment and transfer provisions.

Preferred drafting position: Policy can be assigned with 30 days' notice. The parties shall keep records showing compliance, notify each other of material deviations, and escalate

unresolved issues to legal operations within five business days.

10. Operational Exception.

The supplier may use experimental workflow tooling for internal reporting without prior written approval, provided no regulated data is exported. This clause is intentionally outside some playbook coverage so Lou can surface unmapped review findings.

11. Signatures.

The parties agree to the terms above through duly authorized representatives.
